Thursday, December 4, 2014

Reception: 5:30 pm

Dinner: 6 pm

Presentation: 8 pm

(Immediately after Minyan)

Speaker:

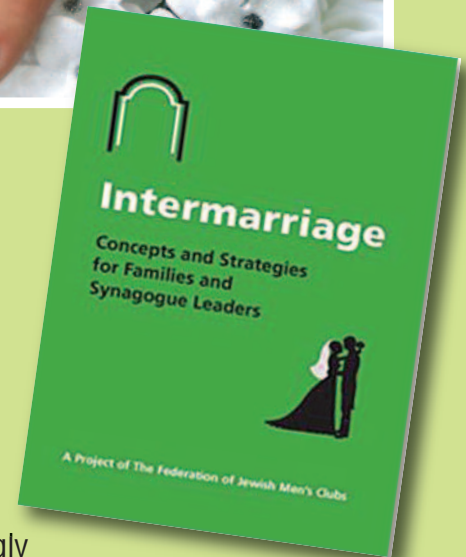

Rabbi Charles Simon

Executive Director

Federation of Jewish Men's Clubs (FJMC)

New York, NY

FJMC has been the leading organization in the Conservative Movement and in North America attempting to help its members and their congregations understand and respond to Intermarriage for more than a decade. What they have learned can provide some interesting insights into why Men are increasingly less present in Jewish life and the volunteer world as well as what types of strategies are needed to engage future generations. Rabbi Simon will help us as members of families and members of congregations better understand this process.
